### **FRANCE AGAINST HIV/AIDS ROSELYNE BACHELOT-NARQUIN IS GETTING INVOLVED**

**Friday, August, 8th  
PRESS MEETING**

As part of the XVII HIV/Aids Conference that is taking place in Mexico City from the August, the 3 to the 8, Mrs Roselyne BACHELOT-NARQUIN, the Health, Youth and Sports Minister, who will not attend to the conference, as neither of the other government representatives, will however answer to the journalists questions. The Minister will speak, in the presence of Mr. MIREAU, the author of the study Luz : "on the interactions between Erythropoietin (EPO) and antiretroviral treatments".

**On that occasion, Roselyne BACHELOT-NARQUIN will herald some innovative measures. The Ministry will show indeed her will to lead a strong sanitary policy in the struggle against HIV/Aids.**

The meeting will take place on the August, 8th on the french stand into the Olympic Village, during the Olympic Games ; Beijing, China.
